Failing

For three years now, the out-of-town trustees have racked up a number of failures in running Local 73. Below is a list of blunders that the members have suffered.

- ☑ Lying to members about running for office.
- ☑ Cheating in last years' election, and denying the members a fair vote.
- ☑ Giving themselves \$166,000 annual salaries.
- ☑ Negotiating sub-par contracts in Cook County, Tollway, and SOS.
- ☑ Gave Toni Preckwinkle, who has hurt our members at Cook County, \$2,500,000 to run for mayor.
- ☑ Failing to advance grievances to arbitration.
- ☑ Taking away your membership meetings, denying you a voice.
- ☑ Changing the by-laws and making it illegal for Local 73 staff to run for office.
- ☑ Terminating 10 experienced representatives and negotiators simply because they wanted to run for office.
- ☑ Holding pre-disciplinary and grievance hearings by phone instead of being there for the members in person.
- ☑ Failing to answer members' phone calls.
- ☑ Failing to pay CPS strikers \$50 per day while on strike.
- ☑ Multiple bargaining units decertified because of lack of representation.
- ☑ Failing to represent members of Cook County who were displaced by Karen A. Yarbrough. These workers had to hire their own lawyer.

End the failure, disappointments,
and take back your union
from the out-of-town trustees!
