

## CPS/Chicago Public Schools

Dear members of Local 73, it's time to vote.

Election ballots are being mailed to you after October 16<sup>th</sup>, and you should receive them in your home after October 19<sup>th</sup>.

There will be two slates on the ballot. Our slate, Members Leading Members, and the out-of-town trustees' slate. Please be sure to vote and mail in your ballot before November 11<sup>th</sup>!

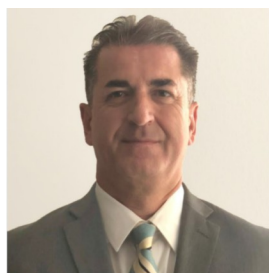

Rev Dr. Oscar Varnadoe,  
Ordained United Church Of  
Christ, Retired SEIU Member

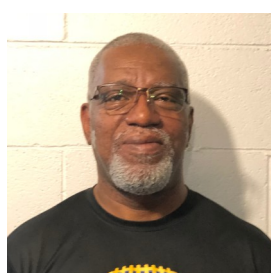

*"For years, I was a Local 73 member and served on the executive board as well as on the negotiating committee for CPS. There was a time when SEIU Local 73 was the first to negotiate a contract and fight for members' rights, before the teachers. However, that has changed now. Our local has been taken over by out-of-town trustees who have been less than honest with the membership. The current president lied to the members and said she was not running for president only to turn around and do just that. They changed the by-laws and eliminated the membership meetings, shooting down democracy so that they will not hold them accountable. As far as I'm concerned, the choice is clear here. You need to vote the out-of-town trustees out. I'm endorsing Members Leading Members because they are in-touch with the membership and will do the right thing."*

— Oscar Varnadoe

I, Oscar Varnadoe, endorse Members Leading Members!
